LEARN TO DIVE AT WAIDROKA!

Waidroka Dive is a full service PADI training facility. Our PADI courses range from beginner to professional level courses. Below is a list of the PADI Dive Courses Available at Waidroka Dive conducted by our professional staff of dive instructors.

WAIDROKA DIVING

Waidroka Bay Resort offers divers the best of world class Scuba Diving with amazing variety, combined with some of Fiji's finest soft coral and the great Fiji Shark Dive in the Beqa Lagoon.

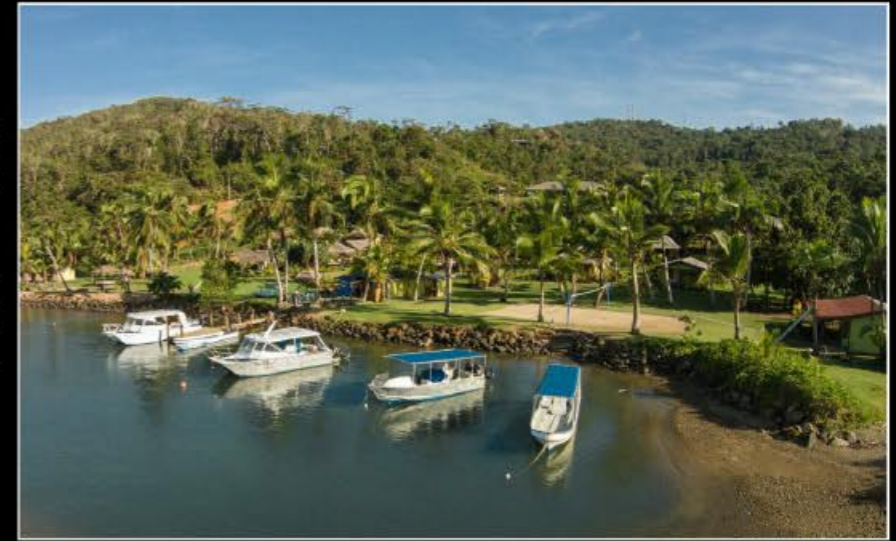

DIVE BOATS

Waidroka Bay Resort owns and operates a fleet of boats to choose from for various purposes. All of our boats are continuously looked after and maintained to a high standard to ensure our guests safety. Our boat drivers are all local and know the reefs extremely well. They are all specifically trained to operate the boats for our dive trips.

All boats always go out with mobile phone (nowadays there is coverage even at Frigates Passage and many of our guests send back pictures straight from the boat) and are always in contact with the resort. Water, snacks, lunch packs and if you wish to order bar drinks will always be on-board, as well as of course medical kits and oxygen. Our boats are always in contact with base and we ensure maximum safety.

SURFACE INTERVAL AT YANUCA ISLAND

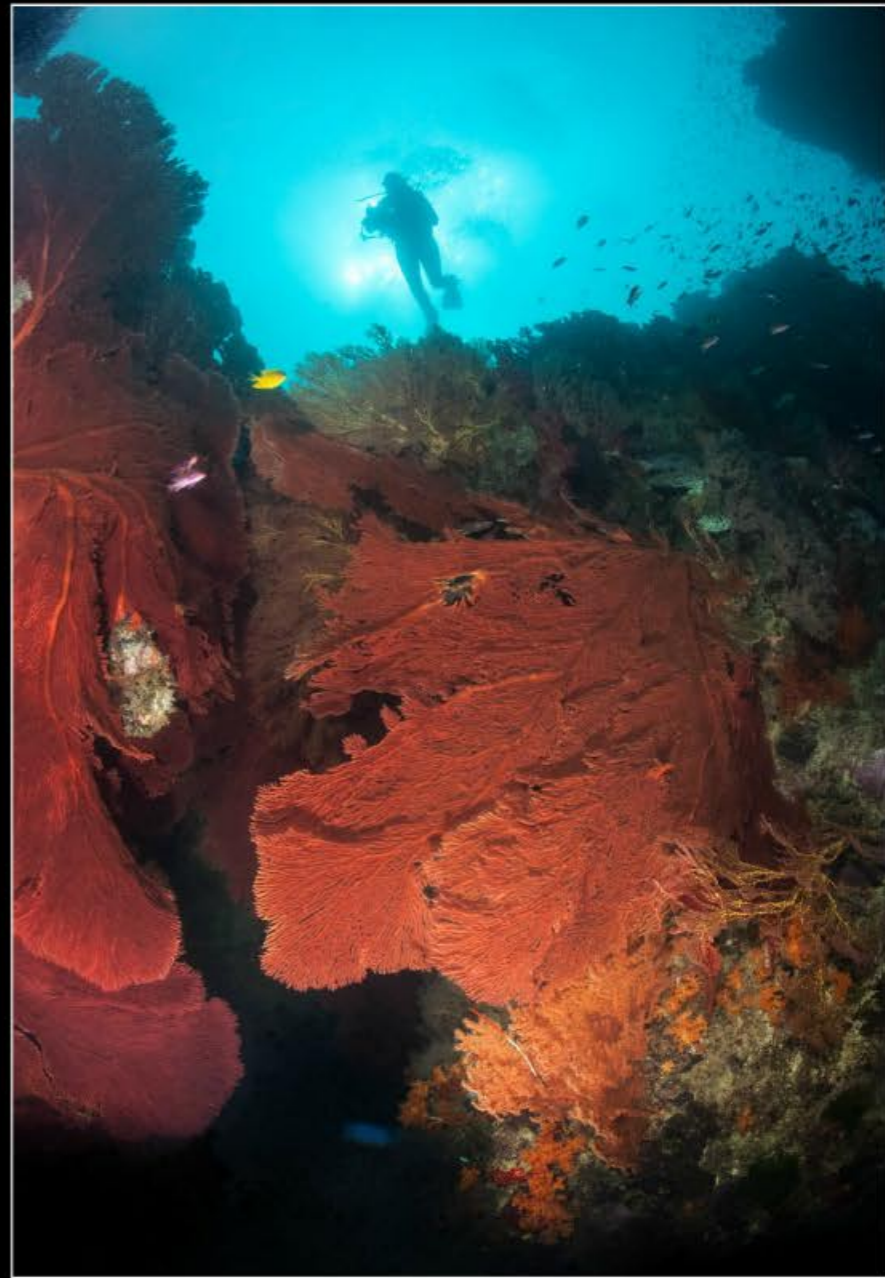

BEQA LAGOON

Diving with incredible variety and the amazing soft coral of the famous Beqa lagoon.

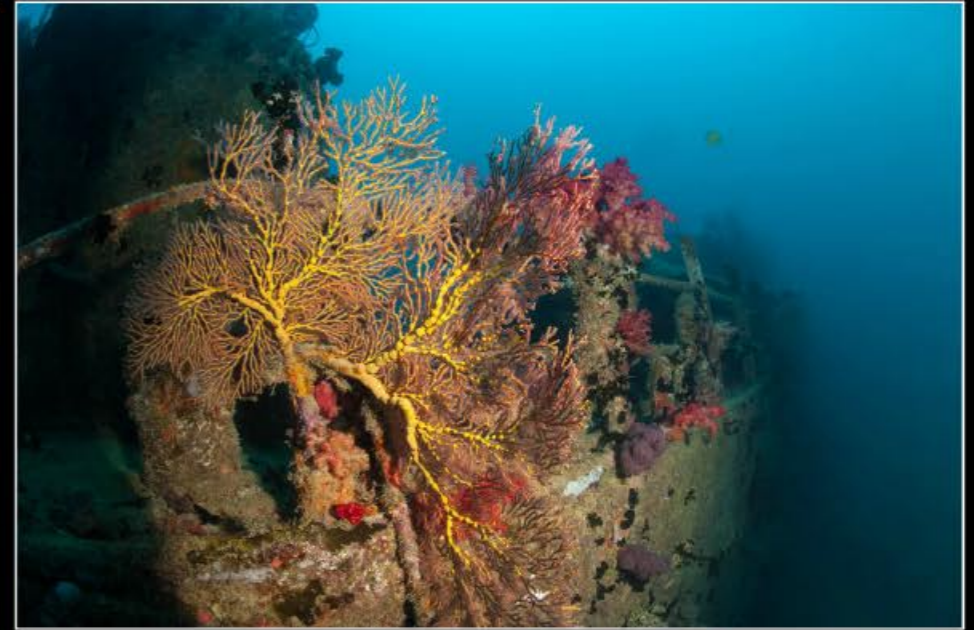

TASU II Wreck:

Beqa Lagoon is also home to the TASU II deliberately sunk in 1994 to cater to divers. TASU II was a 200 ton Taiwanese fishing vessel. She sits upright, on a sandy bottom, in about 25m of water next to Yanuca Island. A well protected spot with excellent visibility, the TASU II is home to an amazing variety of aquatic life. The opportunity for underwater photo enthusiasts is fantastic. The ever elusive Ornate Ghost Pipefish can be spotted here, along with schools of spadefish, grouper, scorpionfish, moray eels, lion fish and garden eels.

FIJI's world famous shark encounter
- THE SHARK DIVE !

Surf some of the best surf spots in Fiji with us. Surf spots are working in almost all conditions. Local boat rides take no longer than 10-15 minutes. All breaks are reef breaks which develop into super breaks even at the lowest swells. Swells are consistent and when the big ones roll in, the Surf, both locally and especially at Frigates becomes absolutely World Class!

Come to Waidroka to enjoy Surfing Fiji at it's best!

FISHING

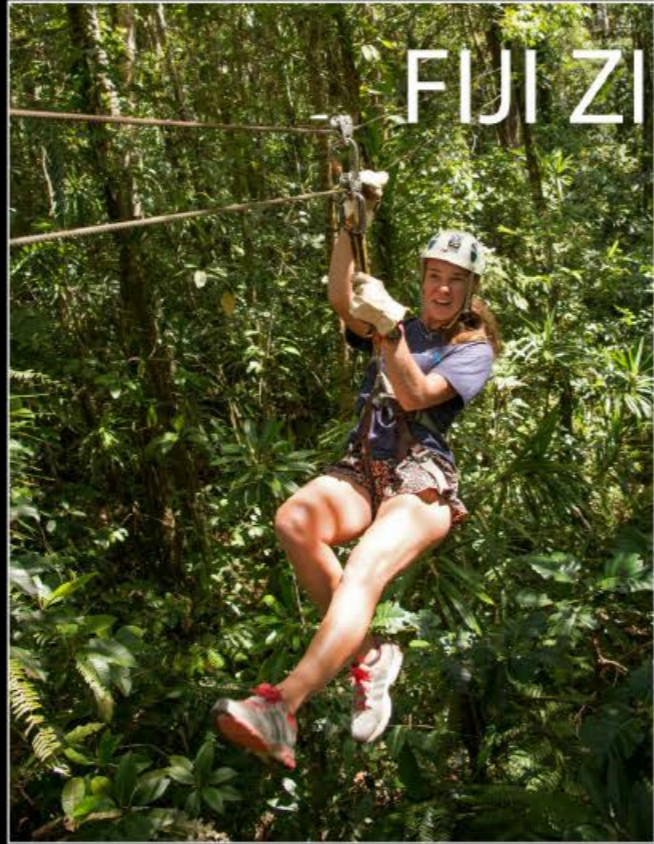

Fiji offers an incredible opportunity for the sportfishing enthusiast. Anglers can enjoy flyfishing, jigging, bottom fishing, trolling, casting, whipping and more. Sportfishing is excellent year-round. Among the varieties of fish that abound include the most prized sportfish: Marlin, Sailfish, Tuna, Wahoo, MahiMahi, Barracuda, Snapper, Grouper, Coral Trout, and much, much more.

Tackle the rapids of the Navua River for some thrilling white water rafting.

Location:

Waidroka Bay Resort is located on the main island of Viti levu, right on the famous Coral Coast between Sigatoka and Pacific Harbour (just 2 hours from Nadi airport, 20 minutes drive from Pacific Harbour and 1 hour from Suva).

Waidroka is located between the Fijian villages of Korovisilou and Talenoua/Serua on a signed turn into the rainforest right on the ocean. The turn is straight off the main road or 'Queens Highway' and approx. 4 km into the rainforest, first driving up a small mountain and then down towards the sea, where right on the Oceans edge Waidroka Bay Resort is located. The road is suitable for all vehicles.
